PHILOSOPHY AND AIMS: Inspiring education for life

Caterham School is one of the leading co-educational schools in the country. We are committed to providing an environment in which all pupils are challenged to be the best they can be and one in which pastoral care and wellbeing underpin academic, co-curricular and sporting excellence. The majority of our pupils are day pupils but we are also a thriving boarding community, which enriches the educational opportunity and experience for all.

We believe in providing an education for life for all Caterhamians and we seek to ensure that the learning experience at our school blends the best of tradition with the exciting opportunities provided by new technology. Learning how to learn is a key facet of a Caterham education and is in our view an essential skill for life in the twenty-first century. We believe that a truly excellent school is about more than academic achievement alone: it is also about developing a passion for learning, a capacity for independent and critical thinking, self-awareness and resilience, self-confidence without arrogance and genuine interests that extend beyond the confines of the classroom.

At Caterham School we focus on developing the whole person, aiming to ensure that each pupil leaves here ready for the challenges of life at university and beyond and understanding their responsibilities towards others. We want our pupils to leave Caterham well equipped to engage positively with a rapidly changing world as accomplished problem solvers and innovators, confident in their ability to lead and with a clear appreciation of and respect for the views and potential of others. In so doing we remain true to our founding Christian principles and values.

CATERHAM CONNECTED & CATERHAM PREP SCHOOL PA PROGRAMME OF EVENTS

Due to current COVID-19 restrictions, at the time of print we are still uncertain whether government guidelines will permit us to hold many of our currently scheduled events.

For all the latest events, go to
www.caterhamprep.co.uk/whats-on/events

If you have any questions, please contact

The CATERHAM CONNECTED brings together both past and present parents, staff, alumni and friends of the School so that we can all gain from the extended Caterham Community - for career and mentoring opportunities in addition to cultural events, socialising and supporting the School.

We now have an exciting new platform which underpins these social and career networking opportunities by allowing you to share information with and contact fellow members directly. To sign up visit:
